

Time To Take Off

Based on Isaiah 40:28-31

Reader: Have you not known? Have you not heard?

- 1 Hear? Know? We hear and know so much—too much!
- 2 More than we want to know; more than we can stand to hear!
- 3 Who do you know? Did you hear that?
- 4 Hear what? Know who?

Reader: The Lord is the everlasting God, the Creator of the ends of the earth.

- 4 So *that's* who.
- 3 So *who's that*?
- 1 So *that's* who created this mess!
- 2 So *that's* who can get us out of this mess . . .

Reader: God gives power to the faint, and strengthens the powerless.

- 3 Power broker, power player; power hitter;
- 2 Military power; political power; economic power.

All: The ones that need the power never get it!

- 4 Power to give; power to love; power to try
- 2 Power to stand; power to live; power to fly

Reader: Those who wait for the Lord shall renew their strength, they shall mount
up with wings like eagles;

- 1 Give me wings to fly away from this place!
- 4 Give me wings to get where I want to go in life!

All: Gimme, gimme, gimme—is that what wings are for!?

- 2 (after slight pause) Give me wings to see the earth and all its people.
- 3 Give me wings to go where you want me to go in life, Lord.

Reader: They shall run and not be weary, they shall walk and not faint.

1 God gives us the power

2 to stand with those without the power

3 to stand with power for what we believe in

4 to have the power to live and achieve

All: all that God wants us to be.

4 stand!

3 run!

2 live!

1 fly!
